

ENGLISH TASK 6.1

Text:

Report abuse Nearly all mobile phones and computers have a screenshot or grab facility. While there are obvious risks associated with strangers taking screen grabs of your profile, you can also use this facility to gather evidence if you or someone you know is a victim of online bullying or abuse. It is always important to share this information with the relevant authorities as soon as possible.

Vocabulary:

| | |
|--------------|---------------|
| CASI : | nearly all |
| RIESGO : | riesgos |
| HERRAMIENTA: | grab facility |
| RECOGER: | gather |

Personal Commentary:

There are inconvenients about sharing personal Data on the Social Media, because strangers users can take screen grabs and replace your Digital Identity.

The advantages are for bullied people who can show delictives issues with some screenshots from their mobiles or handy-phones.
